# Social Housing Information Sheet

#### What is Social Housing?

Social Housing or rent geared-to-income (RGI) assistance is subsidized housing, available for eligible households. RGI assistance means that the amount of rent paid is determined by household income; rent amounts are approximately 30% of the gross (before taxes) monthly household income. The amount of rent paid by Ontario Works/Ontario Disability Support Program recipients is determined by a scale provided by Ontario's Ministry of Municipal Affairs and Housing in accordance with the Housing Services Act, 2011.

#### Who Can Apply?

- At least one member of the household must be 16 years of age or older and able to live independently. (example: do your own cooking, cleaning, laundry, bathing) with or without supports
- Each household member must be a Canadian Citizen; or have made an application for status as
  permanent resident; or a claim for refugee protection; and must not have an enforceable
  removal order under the Immigration and Refugee Protection Act (Canada).
- Arrears to any Social Housing Provider must be paid in full or there must be an active repayment agreement plan in place and in good standing.
- No household member will have been convicted of an offence related to rent geared-to-income assistance.
- No household member will have been found by a court of law or the Landlord and Tenant Board to have misrepresented their income for the purpose of rent geared-to-income assistance
- Willing to put any house you own up for sale and sell it within six months of the date of offer of a lease
